Under this Term Sheet, Heritage's subsidiary Purefarma Solutions ("**Purefarma**") will provide processing services for hemp supplied by Canntab, to their specification as required for the production of Canntab's planned roll out of their ingestible oral cannabis products. This agreement will begin immediately and is open-ended subject to a 120 day cancellation notice by either party.

"This agreement with Canntab is a strategic fit for our growth as a contract service provider, aligns with our vision to operate in final product verticals and advances our offering in the medical cannabis sector." states Clint Sharples, CEO of Heritage "Purefarma's extraction expertise and ability to provide quality oil is a good match for the high expectations that Canntab has for the products they will be bringing to market."
